

## SAFE HOUSE CO.

### **ABOUT THE Safe House Co.**

The Safe House Co. LLC:

Safe House Co. LLC is a multi-faced entertainment industry and technology company, consisting of a full service production house, record label, publishing house, film division, intellectual property management, and radio promotion company providing the crème-de-la-crème in music production and music promotion services to its internal and external clientele. Safe House Co. Music Group produces a fresh taste of relevant sounds and artists with "real" substance. Safe House Co. Music Group's record label division has strategically partnered with the recording industry's leading distribution outlets: IMA Entertainment & Universal Music Group Distribution "UMGD" and radio's excellence in airplay promotion to provide the best exposure and longevity for its artists. As an Urban marketing/media Group our main goal is to help all of our fellow dreamers in the Urban scene, get their dreams out while bringing all of their talents together to showcase them to the world. We are working hand & hand with fashion companies, musical artists, producers, photographers, and digital/painting artist to change the face of the game! Our promotional company is ran by artist for artist so we know how it feels to be on both sides of the industry! Safe House Co. was created by individuals with over 10 years in the Music, Radio, Television, and Social Media promotions and marketing fields, which brings tons of experience to all endeavors we venture into. Whether just needing to generate a larger fan base or breaking that hit record on the radio The Safe House Co. can accomplish all of those tasks for you. We believe in the philosophy "anything is possible with dedication and commitment".

### **DEDICATED TO YOUR BRANDS SUCCESS**

Our Team Takes time to make sure your brand is receiving the maximum visibility it deserves. Your music is promoted to our entire user base of radio stations which totals 6000 and growing weekly. All radio Campaigns are based on a 30-day time period. Record Reports are provided on a weekly basis. This includes any charting that takes place with the record all BDS monitored stations and spins.
